Spotlight YOU: Roger S. Green of Green Financial Resources

By Our Town Gwinnett Staff

Our Town Gwinnett (OTG):

What do you like most about being able to give back in supporting the community?

Roger S. Green (RSG): The community has supported us and our business, and we feel very grateful and blessed to be able to do for others. It's also a great way to team build and to shift our focus to others.

OTG: Are there examples of ways you give back throughout the year?

RSG: Our entire staff has worked together, led by my wife, to host eighteen golf tour-

naments, raising over \$500k for charities we love. We are going to be sponsoring a Salvation Army Red Kettle and devoting a day of staff time to bell-ringing at Bass Pro Sugarloaf Mills on Thursday, December 16th! Come out to see us.

OTG: What are you most thankful for in this holiday season 2021?

RSG: Since December 2020, we've had three more of our kids marry, and added a granddaughter in October, with another due in December – which will be our 7th! My parents celebrated their 59th anniversary in November. We are so very grateful for the love that is so abundant in our large and growing family!

OTG: What are you most excited about for the new year of 2022?

RSG: I'm looking forward to all the fun we'll have with our growing family. Also, some staffing additions we've made, and working with my sons as they grow and expand their role in our family business. My wife and I are also hopeful that 2022 will allow for more travel – something we love that we haven't gotten to do enough of these past couple COVID years.

OTG: What do you love most about being a business during the holiday season?

RSG: My wife is good about coordinating numerous employee activities year-round, but those usually increase at the holidays. This year we have a few meals and parties planned, our bell-ringing outing, the fun of putting up the office Christmas trees, and celebrating with gifts to and from our clients always make the season more memorable. Last month we did an impromptu pizza picnic because we just couldn't resist getting everyone outside to enjoy the gorgeous 70-degree November Georgia day!
