After taking the course, students increased their scores on assessment tests by an average of **19%**. Here is how they performed, by topic:

### Knowledge Gain

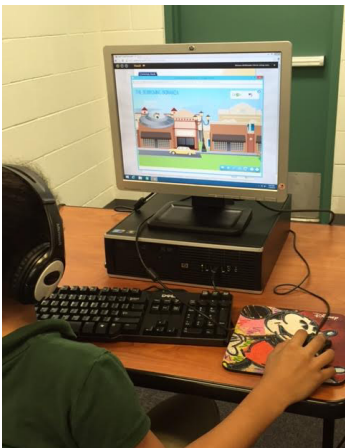

■ After Course ■ Before Course

Green Financial Resources, LLC brought financial education to students in **3 schools** during the 2014-15 school year. Here is how they break down:

School	Students Reached	Modules	Time
North Gwinnett Middle School	233	823	535 hours
Crews Middle School	210	975	634 hours
Five Forks Middle School	149	243	158 hours

Throughout the 2014-2015 school year, the Green Financial team made seven visits to the three schools that are sponsored. All of the schools are so thankful for your support and are excited about next year!

“I learned how to save money and to keep my information private. It is fun too!”  
*6<sup>th</sup> Grade Student*

We had Vault kick off celebrations at both Five Forks and North Gwinnett Middle Schools as well as five certification ceremonies between both Crews and North Gwinnett.

“The program teaches you how to save and just spend a little.”
